

1-4 Dominic says: *Solving riddles is mental exercise. Riddles can help you become more creative. Brainstorm with your friends if you get stuck. You might even write some of your own!*

1. Going forward I am heavy; going backwards I am not.

What am I? _____

2. The more you take away the larger I become.

What am I _____

3. What would you be sure to find in the middle of Vancouver?

What did your brain figure out? _____

4. The sign says: "Railroad Crossing—Watch for Trains." How do you spell that without using any R's?

Write your answer here _____

5. You can find me in Illinois, New York, Oregon, Rhode Island, Idaho, and both North and South Dakota. But you cannot find me in Hawaii, Alaska, Nevada, or Indiana.

What am I? _____

6. What has four, six, or eight wheels and flies? _____

7. A bus driver and a doctor liked the same person. Before leaving on a seven-day trip, the bus driver gave that person seven apples.

Write the reason here _____
